

Press Release

Bhoomi Pujan of the First Commercial Project with Multiplex in Bikaner- “R-Tech Capital Highstreet (Bikaner) on main Bikaner-Jaipur Highway, Bikaner

Bikaner, January 26, 2018 : R-Tech Group, one of the fastest growing and trusted real estate developers of Rajasthan, has done Bhoomi Pujan of its new Commercial project named Capital Highstreet (Bikaner) which is the first highstreet market of Bikaner having multiplex and the biggest car parking facility. The project is located on main Bikaner-Jaipur Highway, opposite to All India Radio Station.

The Bhoomi Pujan ceremony was performed with traditional rituals at the project site and this function was attended by many dignitaries including Doctors, Business personalities, professionals, Business Associates, Customers and thousands of local people of Bikaner City .

Speaking on the occasion, Mr. Rajesh Yadav, Managing Director, R-Tech Group said, R-Tech Group sincerely expressed thanks to everybody for their co-operation and trusts that now the group is expanding with its new commercial project in the city of Bikaner.

It is indeed a proud moment for R-Tech Group to launch the first of its kind commercial highstreet market in the city of Bikaner. By this development the residents of Bikaner and nearby areas will experience the one-stop destination for quality shopping, business and entertainment. The project will also have the biggest car parking facility for the convenience of the visitors and office owners.

He further added that, the project shall create brilliant business opportunities for medium and big traders, businessmen and professionals of Bikaner City by having shops and offices in this project. Moreover, Kiosk spaces would be beautifully developed in this project, for small investment which will be highly, productive and filled with great potential for establishing commercial establishment, for long term benefit.

Capital Highstreet (Bikaner):Capital Highstreet (Bikaner) is strategically located in the fast-growing area of the region, right on the main Bikaner -Jaipur Highway, opposite the landmark complex of All India Radio Station. This project is planned to spread over an

area of 5251.70 sq mt approx. The project is 9 level Highstreet Market comprising of Shops- Kiosks-Offices-Food Courts- Multiplex – 2 level Basement Parking, well planned under one roof to produce a modern space for businessmen, professionals and the people of Bikaner, where they will delight quality of food, modern lifestyle, shopping facility, cinema hall, entertainment and much more.

Also what gives Capital Highstreet (Bikaner) an edge is that it is set amidst high density posh residential colonies, school and local markets thereby ensuring a sustained high rate of footfalls from a high-end captive catchment area.

Capital Highstreet (Bikaner) is a state-of-the-art project designed and planned by “RAAS Architects” one of the leading architect & interior designers of the country, deploying cutting-edge construction materials & technology. The complex will be surrounded with furnished streets and lush areas around the corner that will make it truly impressive. Needless to say that it will be equipped with all modern features, latest in technology and all contemporary amenities.

What’s more, the entire structure of Capital Highstreet (Bikaner) is being made to be secure against earthquakes, and other physical damages using the very latest in technology

About the Developer: R-Tech is one of the most rapidly growing business conglomerates with diversified interests across **Commercial, Residential, Townships & Retail** segments of the real estate arena.
